

## Safety & Security

PMC is committed to providing safe conditions for employees, patients, volunteers, & visitors. The Emergency Preparedness Plan (RED manual) & CODE flip chart with fire and emergency procedures are located in every department. Please acquaint yourself with the safety and emergency plans & codes in the event of a disaster.

**Emergency Codes:** Please call "11" in house for any emergency and "6565" for non-emergency.

CODE BLUE: Adult

CODE BLUE6: Pediatric

CODE PINK: Infant/Pediatric Abduction

CODE GREY: Violence/Security Alert

CODE GREEN: Mass Casualty/Disaster

CODE RED: Fire/Smoke

CODE STEMI: Cardiology

CODE WHITE: Hostage Situation

CODE YELLOW: Lockdown

CODE PURPLE: Hurricane

CODE ORANGE: Hazmat Event

CODE BROWN: Severe Weather

CODE SILVER: Stroke

CODE BLACK: Bomb Threat

**"Right to Know" (MSDS)** just call: ext. 6565 from any in house phone to get live assistance, 24 hours a day. Look for the bright orange sticker located on every phone. Please call this # (6565) if there is an emergent need for help with a spill or exposure to any product in your area.

## **Security Measures**

- Bollards:** Blue towers with safety call box located throughout the PMC Main parking lots. This is a direct call line for emergency help.
- Security Cameras:** Monitoring safety inside & out of PMC.
- Biometrics:** Card readers in secure areas for entrance into the department.
- Duress Buttons:** Silent alarm buttons located in front line areas
- Escort Service:** PMC Security available to walk you to your vehicle 24/7.  
Just call ext. 6565

## **Personal Security Tips**

### **Lost & Found:**

**Personal Belongings:** Items to include: clothing, glasses, dentures, hearing aids, etc. Please call Environmental Services at ext. 6183 to report or locate a missing item.

**Valuables:** Items to include: Money, jewelry, cell phones, etc. Please call the Security Dept. at ext. 6565 to report or locate a missing valuable item.
